

**APPENDIX C:**  
**CLAIM AMENDMENTS**

Kindly amend claim 11 in accordance with the following instructions:

- 11.(Amended)        A trimmer comprising:
- a rotating line cutting device;
  - a handle attachment element attached to said rotating line cutting device wherein said handle attachment [device] element comprises a first pivot and a second pivot wherein said first pivot point and said second pivot are capable of pivoting simultaneously; and
  - a handle attached to said handle attachment element.

**APPENDIX D:**

**UNMARKED CLAIM AS AMENDED**

---

11. A trimmer comprising:

a rotating line cutting device;

 a handle attachment element attached to said rotating line cutting device wherein said handle attachment element comprises a first pivot and a second pivot wherein said first pivot point and said second pivot are capable of pivoting simultaneously; and

a handle attached to said handle attachment element.
